My Florida Home A class for first-time homebuyers

Completion of this course fulfills the homeownership education requirement for the FHOP and Rural Development programs

Homeownership Class

This 6-hour course is designed to help you better understand the homebuying process, the financial responsibilities of home ownership, and basic home care and maintenance techniques to maintain the value of your home and save money on repairs.

Topics include:

- Analyzing your personal financial and credit situation
- Pros and cons of homeownership
- How much can I afford?
- Working with housing professionals
- House-hunting tips
- Negotiating the contract
- Understanding the closing process
- Choosing a mortgage
- Home ownership assistance programs
- Preventing foreclosure
- Home care and maintenance techniques
