Re: Conceptual Land Use Plan
Washington Correctional Institution
Lease No. 4065

To the Washington County Planning Department,

The Department of Corrections, Land Administration Section, has prepared a Conceptual Land Use Plan for the above referenced correctional facility in accordance with F.S.253.034. The Department is required, by statute stipulations, to make the plan available to the County Planning Department and to the general public for review and comment for a period of 90 days.

The Department requests that a copy of the plan be posted in an area easily accessible to the citizens of your county until October 24, 2007. Any comments received may be sent to me at the address above or to the email address listed below. Once the review period is complete the Land Use Plan may be kept for your files.

Your assistance with this matter is very much appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Wood".
