Community Development Block Grant – Coronavirus (CDBG-CV) Small Cities Program

PUBLIC NOTICE

The Florida Department of Economic Opportunity (DEO) is making available \$41,931,595 in CDBG-CV funding to eligible local governments to prepare for, prevent, or respond to the health and economic impacts of COVID-19. Washington County will hold a public hearing to solicit citizen comments on the County's proposed project and application on March 9, 2021 at 2 p.m. CST in the Washington County Board of County Commissioners board room located at 1331 South Blvd., Chipley, FL 32428.

Washington County is proposing an application for funding of infrastructure for Broadband Services in Washington County and will be requesting \$3,000,000. Due to the CDBG-CV priority on low- and moderate-income areas, this project will focus on these areas in the county and leverage other funding sources to complete the network.

For information on this public notice or to provide comments on Washington County's proposed project, please contact Karen Shaw, Grants/Special Projects Coordinator at 850-638-6058 or kshaw@washingtonfl.com.

This public notice is being conducted pursuant to the provisions of the Americans with Disabilities Act to ensure accessibility to all. Any person requiring special accommodations to participate in this public notification is asked to reach out to Wendy White at 850-415-5151 or wwhite@washingtonfl.com. If you are hearing, speech impaired, or need other accommodations, please contact Mrs. White using Florida Relay Service by dialing 7-1-1, which can provide many different services, including English to Spanish translation.
